

— FOR GRADES 1-6

Let's practise, play and read!

Choose a friend, answer questions, read books that talk to you, play maths games and build your own island.

It's free

Mistakes are OK

Ten minutes a day

Three easy steps.

Ask a grown-up to help you the first time.

1

Open www.sparkuna.com

On a laptop, a tablet or a phone.

2

Sign in with your school account

The Google account your school gave you.

3

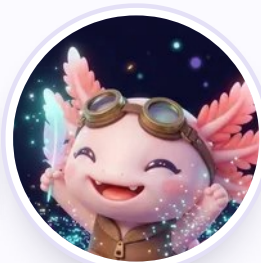

Pick your grade and a friend

Your friend comes with you every time you practise.

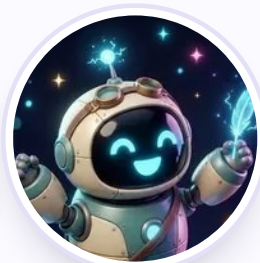

Who will be your friend?

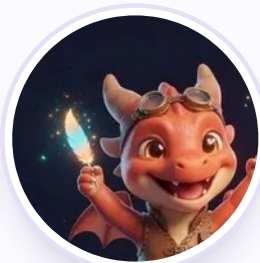

Sparky

Luna

Bolt

Ember

Capy

Your friend cheers

when you get it right, and helps you when you get it wrong.

Your friend grows

The more you practise, the higher your level, and your friend powers up into a new form.

Apprentice

Level 1

Scholar

Level 5

Mentor

Level 10

Master

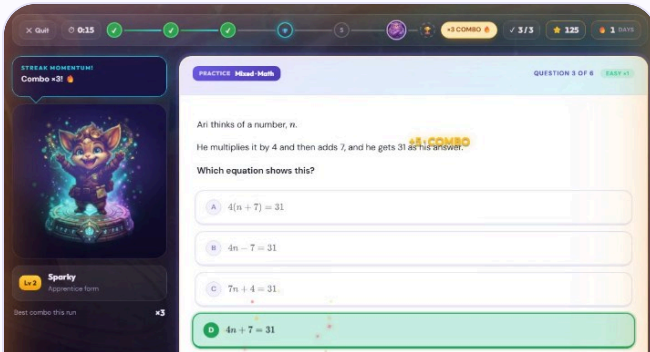

Level 20

Fellow

Level 35

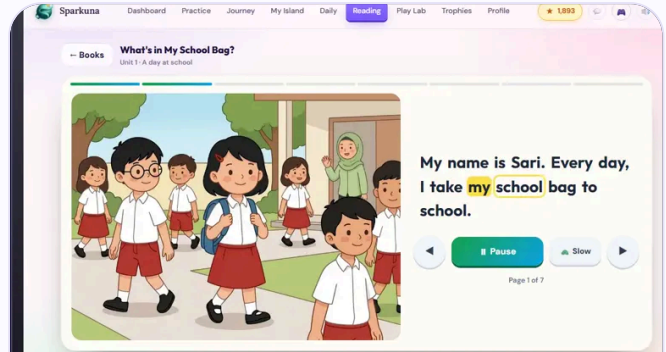

So many things to do!

Practise

Maths and Science questions for your grade. Your friend explains the answers.

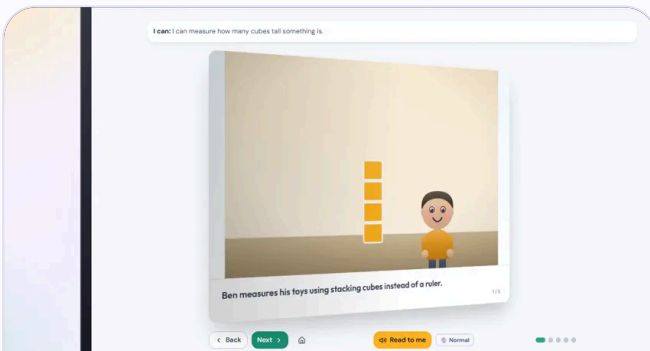

GRADES 1-3: EVERY QUESTION IS READ TO YOU

Read

Picture books that read to you. Each word lights up. Then answer five short questions.

162 BOOKS

Play Lab

Maths games, science activities and stories about the chapter you are learning.

5 POINTS EACH, UP TO 4 A DAY

My Island

Practise carefully and choose a new piece for your own floating island: up to three a day.

EVEN WHEN SOME ANSWERS ARE WRONG

Grades 4-6: even more

Build with blocks in the Workshop, join a weekly league, help your school win the School Cup, and visit your schoolmates' islands.

With your class and your family

A code on your teacher's big screen? Press Join on the Live class card. Every week your grade has a team quest, and on your Profile you can make a Family card for your family.

Remember these!

Mistakes are OK

A wrong answer never takes points away. Your friend shows you how.

Take your time

Think about each question. Going fast does not help.

Not sure?

Press "I don't know this yet". Then you can see how it works.

Ten minutes a day

A little bit every day is best.

Stuck? Ask a grown-up

Your teacher or your family can help you.

Something looks wrong?

Press the report button. We check every one.
